Dear Kevin

Osborne College Re-development

I would like to thank Paul Rann and the Brymor Special Works team who have spent the summer months working on the conversion of Osborne House from a residential provision to a vastly improved day provision which will accommodate upwards of 50 post-16 students.

We have been impressed with the professionalism displayed and in particular would like to thank Matt Liggett who has been on site throughout the project; his diligence in ensuring that all was carried out to our satisfaction was superb.

Throughout the process communication has been exceptional and the flexibility in accommodating meetings has been very much appreciated.

I would be grateful if you could pass on my thanks to all concerned.

Yours sincerely
